Care4Country

Care4Country Sunday 10 September 1:30 - 2:30pm (Gates open at 1:00pm)

A special invitation to the community...

Help celebrate the Quandamooka Festival on Coochiemudlo this Sunday 10 September when the Care4Country event returns with the Tangalooma EcoMarines. Ambassadors from 28 Brisbane schools will gather at "Mudlo", corner of Elizabeth Street and Victoria Parade South for a fabulous day of cultural heritage and environmental activities.

Thanks to sponsorship by Redland City Council, Coastcare is able to extend an invitation to the community to attend the closing ceremony with storyteller Josh Walker, the Yulu Burri Ba dancers and a traditional smoking ceremony. Gates open at 1:00pm for the Ceremony and pre-registration is essential.
