

Care4Country

Another great **Care4Country** event was held on Coochie earlier this month as Coastcare helped the Tangalooma EcoMarines celebrate the Quandamooka Festival. The event, which was proudly sponsored by Redland City Council saw junior ambassadors from 28 schools throughout south-east Queensland gather at “Mudlo” for a day of cultural heritage and environmental activity. Thanks goes to Heather Smith who co-ordinated Coastcare’s involvement and all our volunteers who offered assistance. Our gratitude also goes to Carolyn Brammer for opening her beautiful property, Cr Lance Hewlett who welcomed Josh Walker and the Yulu Burri Ba dancers as well as Redland City Council who supplied officer support for the casuarina planting on the beach and naturally, Tangalooma EcoMarines for choosing Coochie!
