News Update

Dunecare

DUNECARE **Saturday 2 February - 2:30pm to 4:30pm**

Happy New Year to all!

We look forward to another rewarding year tending almost a kilometre of foreshore and after six years of advocacy, the finalisation of the Shoreline Erosion Management Plan. The continuation of the successful saturated steaming project, supported by a Community Sustainability grant from the Queensland Government has helped us expand our workzones into new areas.

The management committee appreciates your support to care for our Island. Working the dunes with a great crew makes it all worthwhile!

Our first Dunecare activity is [World Wetlands Day](#), **Saturday 2 February** from 2.30-4.30pm.

Sign-on is at the southern entrance of the Melaleuca Wetlands where the Coastcare flags fly. Cuppa to follow. Newcomers, including children accompanied by adults are most welcome.

For further information call Graeme 0413352511. [Membership info](#).
