## Please help us revegetate the dunes

Call-out for Coastcare volunteers to help with end-of-financial-year restoration planting of the new dune along the beach fronting our Ramsar-listed Melaleuca Wetlands – part of the Heritage-listed Emerald Fringe this Thursday and Friday. We have 2,500 healthy tubestock to bed over 120 metres from the Wetlands Creek north to the mid-beach access.

If you have time to spare on either day and are an experienced Coastcarer planter we'd welcome you with open arms but there's always a job for anyone who wants to help!

Please contact Graeme on 0413352511 to register, if you're available for any part of either day.

This isn't the easiest environment to work in and is quite some distance from toilets. Please wear long-sleeved shirts and long pants with appropriate closed shoes, BYO water and insect repellent.

We're planning to meet at the northern entrance to the wetlands at 10am both days

## **Saturday 1 July from 2-4pm - Dunecare on Norfolk Beach**

Traditionally, it's the time to weed and spruce-up Norfolk Beach in readiness for Flinders Day on July 16<sup>th</sup>.

We welcome newcomers to join us for an enjoyable couple of hours of camaraderie caring for our environment.

Please meet at the southern entrance of the Melaleuca Wetlands, where the Coastcare flags fly.

Ring Graeme on 0413352511 or Bryan on 0487054127 with any query.

## **Annual General Meeting 2023**

Full detail of Sunday's AGM will be covered in next weekend's News Update.

The new committee includes -

Vivienne Roberts-Thomson, President

Bryan Dyball, Vice-President

Jane Caldwell, Secretary

Betty-Ann Bellette, Treasurer

Bruce Stevens, Denise Johnston, Nici Buirski and John Fletcher, Committee
