

2 June 2026

You're invited to Coochiemudlo Island Coastcare's Annual General Meeting

Friday 26 June at 5pm, Environmental Hub, 43A Elizabeth Street

Join us for Coastcare's 13th Annual General Meeting and help shape the future of environmental stewardship on Coochiemudlo Island.

Whether you're a long-standing member or new to Coastcare, this is a wonderful opportunity to meet like-minded people, learn about our achievements, and become involved in protecting the island's precious foreshores, wetlands, wildlife habitats and natural environment. The meeting will provide a "soft opening" for the new Hub before an official event in September.

The AGM is also your chance to contribute ideas, have your say, and consider taking a more active role in the organisation. All committee positions will be declared vacant, and nominations are invited for:

- President
- Vice-President
- Secretary
- Treasurer
- Four Committee Members

Fresh perspectives and new volunteers are always welcome.

The AGM [Agenda](#) and [Nomination Form](#) are available for download.

Nominations for office-bearing positions should be received by 5.00pm on Friday 12 June and may be submitted by:

· Email (scanned form):
coochiecoastcare@gmail.com

· Post or hand delivery to: The Secretary, Jane Caldwell, 16 Kingfisher Street, Coochiemudlo Island QLD 4184

A [proxy form](#) is available for those unable to attend

Together, we can continue caring for the natural places that make Coochiemudlo Island so special.

We look forward to seeing you there. An RSVP to coochiecoastcare@gmail.com would be appreciated for catering afterward.

Join Coastcare's working celebration this Saturday 6 June 2-4pm

There's no doubt we live in a special part of the world and this weekend's working bee provides the chance for islanders and mainland friends to help celebrate both Queensland Day and World Environment Day.

We'll be tending the denuded dunes of Heritage-listed Norfolk Beach, weeding and planting in preparation for next month's Flinders Day landing re-enactment

Meet where the Coastcare flags fly at the barbeques on the Norfolk track.

After working the beach we'll enjoy a chat over a cuppa.

It's a great opportunity to make new friends & contribute to the environmental care of our island home.

Volunteers are reminded to wear hat, covered shoes, comfortable clothes, sunscreen, and insect repellent.

New members, especially families, are always welcome. Annual membership which includes insurance is \$2 for singles and \$5 for families.

Please call Graeme on 0413352511 with any query

Finishing touches to Coastcare's Environmental Hub take place

Thanks to the efforts of so many our home base in Elizabeth Street is almost complete.

While we'd hoped to see an official opening this month, the EOFY timing proved problematic. Postponing until September will enable the landscaping and plantings to settle. As soon as the date is confirmed we'll notify members and friends.

We're currently awaiting final approval for signage from Redland City Council both on building and front fence post and also working on completing landscaping with placement of logs, seating and bird bath.

With assistance from the island's native nursery we're planting endemic vegetation with a special emphasis on bushfoods.

Sincere thanks to volunteers who've contributed so much along. Special thanks to Richard and Judy Ford from, A Wood Shed who donated the wonderful Blackbutt timber entry posts and also landscape architect, Lani Roberts for her professional expertise and guiding hand.

Redland City Council is proud to provide funding for the “**Construction of Coochiemudlo Island Coastcare’s Environmental Hub**” as part of the Community Infrastructure grant program to assist the Redlands community.

“With funding support from the Gambling Community Benefit Fund”.
